FOR IMMEDIATE RELEASE

SKODA PURCHASES KYLE STREET GLASGOW SITE FROM HONDA MOTOR EUROPE

Skoda has recently purchased Honda Motor Europe's former Kyle Street Glasgow site achieving in excess of £2.5 million. The 1.2 acre site, near Junction 16 of the M8 motorway, comprises a modern, purpose-built facility including prominent showroom accommodation with rear administration, parts and servicing workshops together with adjacent PDI/valeting bays on the ground floor. There is additional office accommodation at first floor level, together with a gallery over the showroom.

Nigel Lawrence Partnership, marketing agents, said: "A great deal of interest was received in the property, not only for its existing use but also from a host of alternative users. We are now progressing with the strategic relocation plans of Honda Motor Europe."
