## **FORMER RAPLEYS' PARTNERS BRING NIGEL LAWRENCE PARTNERSHIP TO THE NORTH**

Nigel Lawrence Partnership, a multi-disciplined commercial surveying practice dedicated to the roadside market sector, has appointed Tony Hindley and Robin Lawrence as Partners within a newly opened Manchester office. Tony and Robin, formerly Partners of Rapleys, have established the Manchester division for Nigel Lawrence Partnership, specialising in the Motor Trade, Roadside and Petroleum sectors.

Guy Harman, Director of Nigel Lawrence Partnership, said: "The company is very excited to have recruited Tony and Robin. We have been looking to expand in the north for a number of years but it was important to get the right people with the specialist knowledge in the motor trade and roadside sector."

Tony and Robin added: "There is a limited number of firms with specialist knowledge in this sector and working with Nigel Lawrence Partnership, which is based in the south, gives us the opportunity to expand the business in the north and Scotland with an established and respected company."
